

PVE37 Premium Ceiling Package

Available in Mirrored or Brushed Aluminum Finishes.

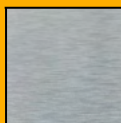

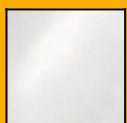

INNOVATIVE DESIGN

Combined with a Mirrored or Brushed Aluminum Finish, the PVE37 Premium Ceiling Package includes 4 frosted, acrylic light panels located in the center of the ceiling.

Offering More Light & Visibility Inside the Cabin, the acrylic light panels illuminate whenever the elevator door is opened & when the cabin is traveling.

- ✓ Aesthetic Ceiling Upgrade
- ✓ 4 Frosted, Acrylic Light Panels
- ✓ Mirrored or Brushed Aluminum Finish

Premium Ceiling Package Available Exclusively For The Two Passenger, PVE37 Vacuum Elevator
