APPLY

Contact PVE to get in contact with a licensed loan officer to easily apply over the phone. You'll need to provide basic information about the property, your income/assets, and information about your current loan (if you're refinancing).

PRE-APPROVAL

Your licensed loan officer will review your loan application to determine if you are pre-approved for a loan. Once your loan is pre-approved, you can compare loan programs, rates and terms.

LOCK IN YOUR RATES

Usually, rates are locked in for 30 to 60 days or enough time to close your loan. You'll receive a Loan Estimate to review, which will contain estimated costs/fess, interest rate and terms of the loan prior to locking in your rates.

SIGN AND CLOSE

The loan process from signing the Loan Estimate to closing typically takes on average 22 days. This time frame may vary depending on your specific loan situation. After the underwriter deems your file as officially cleared to close, we'll schedule a time to close!
